“ Uncle Albert you will truly be missed. You were always straightforward and never missed a beat. You always shared the knowledge that you gained with us. I am praying for the entire family.

“ I remember my brother as a hard-working man. He gave me my first job. He paid 25 cents per week to take off his shoes when he came in from work. I would watch the clock with great anticipation. 5 o'clock. That was the time. One day he came in very exhausted and I was so eager to remove his shoes from his feet. That was the only day he told me, 'Give me a minute to rest!' I gave twenty minutes before removing his shoes. I will always remember him for that and helping me to come into the service of people as the Lord ordained me. I love him and thank the Lord for all the days I had him with me on this Earth.

I fill the lost of his family because we share the same lost. I pray that the Lord keep them at difficult time.

“ We will missed our brother Albert. We will remembered for hearty laughter, and how he loved his family. We was close to each other. When we were in elementary school, if someone picks on me he would come to my defense. will both like to dress and look good, we would have our clothes made this was in the 1970s. Albert would get us in trouble. One time he got it his mind that he was going to our grandparents house. It was 3 of us and we were 6, 5 and 4 years old, but we was following him. Our grandparents lived about 10 to 15 miles from our home, that didn't stopped us. We started down this long country road. Someone who knew who we were told our uncle, he picked up took us his house until our parents picked up. We received the worst whipping. To wife Debbie, children and grandchildren God is able comfort, heal and deliver you all from your pain. Yes you will missed him because you had him 40 years or more, but don't give up hope in God to what only He can do. Love and peace from Aaron and Rose.
