“ I became friends with Dr. Jeff Marshall in 1975. He was a law student working in the TSU Law Library. He would say, " You are an East Texas country boy still learning". Dr. Jeff Marshall was an outstanding person with a good heart. He was very helpful. I will miss talking with him. You could call him day or night. He would never sleep. A true professional. Just a poor boy-Athens, Texas

“ Jeff and I were students at Gustavus Adolphus College. Jeff was an outstanding leader who bridged white and black students and cultures. He was smart, kind and always the gentleman. He kept in touch by sending a Christmas letter until he struggled with medical issues. I will miss him. His life mattered because he made a difference.
