March 21, 1939 - February 27, 2018

Louvenia L. Webster was born in Houston, Texas on the March 21, 1939 to Ethyl (mom) and Joseph Collins. She was so beloved by her grandmother Louvenia Powell (Gram) she raised her to the age of fourteen in New Orleans, LA. She was then reunited with her parents and eleven siblings in Sunnyside where she attended school at Jack Yates.

Louvenia was baptized at an early age and attended East Macedonia Baptist Church where Reverend Samuel L. Farris was Pastor who was later proceeded by Reverend Frank Celestine. In her later years she settled at South Park Baptist Church under the leadership of Pastor Marvin C. Delaney where she served as a faithful and active member.

Louvenia was an exceptionally hard working strong Mother of four daughters; four sons and twenty-two grandchildren, who affectionately referred to her as Grannie. She instilled in her children the value of hard work and labored tirelessly to provide the best for her family. She was the caregiver and nurturer to many family members who fell ill and was a support system to a host of others .

Louvenia's favorite pastime was fishing, she could fish for hours and never tire. Those fortunate enough to know her knew where she really excelled. She was the best cook this side of the Mississippi hands down and loved to share

her delicious meals with family and friends.
