“ I have known Willie for about 3 to 4 years while working here at STP. I must say that I have very rarely came across a person of such character and beaming personality. I have never known him to say a cross word to anyone or have never seen him in anger. I enjoyed working with Willie he was always upbeat and carefree. What a beautiful person he was. I'm sure our Lord is very pleased to have Willie in His presence. So sorry for your loss and ours as well.
